

Associate

Seeking diligent problem-solvers to join our growing start-up.

Company Info

Ranked as the 323rd fastest-growing company in the US by Inc. Magazine, K2 Dental Arts is spearheading the dental industry shift from analog to digital across the United States, Canada and Puerto Rico. With beginnings at the UVA Darden School of Business, K2 takes a novel business approach to implement cutting-edge custom manufacturing methods and high-touch customer support. Teamwork is paramount at K2 and has enabled the company's exponential growth; our informal and supportive work culture has a constant focus on performance and achievement.

Work You'll Do

- Learn in-depth how to operate the technology changing dentistry
- Spend time in dental practices and teach dentists and staff how to use intraoral scanning technology
- Engage with your teammates to problem-solve and develop ideas
- Travel to conferences and represent the company
- Work in various departments to develop a holistic view of the company and business
- Balance between multiple projects to improve business processes
- Manage active client's cases and facilitate communication among stakeholders

Who We Are Looking For

The ideal candidate for this role is a well-rounded team player with exceptional interpersonal skills and work ethic. No dental experience required. Must be able to perform in a fast-paced environment and learn quickly while on the job.

What You'll Gain

- Exposure to a broad range of company departments
- Experience in a high-performing team
- Interaction directly with clients
- Proficiency in complex clinical information
- Prioritization skills
